

OPTI MATCH RACING

Nailbiting speed!

Hairraising action

Fun for the whole family! (as long as you don't mind being shown up by your kids) It's back! Opti Match Racing at OCC - the hottest event on the OCC Calendar (if the weather is sunny of course). Those who remember previous years will know this is an extremely popular event, no doubt thanks to the intoxicating spectacle of these high-speed, white-knuckle sailing machines, piloted by some of the BOI's ultimate sailing athletes in peak physical condition, battling it out for gold against friends and family members alike. There will be no prisoners. There will be no mercy. Just high-adrenaline, all-action Optimist sailing. And spectating. Lots of spectating. This is an all-comers Optimist Match Racing event off the OCC dock, starting at 4pm for kids, followed by an adults event. As a One Class - No Handicap event, the result is entirely in the competitors' hands. Anyone can enter – members & supporters, kids & adults, men & women, crew & skippers - anyone! Could you be the top Opti sailor in Opuia? Entry per person is \$5
