**Commodore's Report:-**

Few things on the agenda

Commodores party we need to move to Sunday the 8th Dec as there is a big shin ding on sat the 7th for Dave Hesketh and all our skit members will be there.

Cruiser week was a hit , massive week but a few issues to iron out .. like what do we do with our kitchen when the sponsors are bringing food in from elsewhere. Keeping an eye on staffing up to and over the week. Need to make notes for next year and keep somewhere for reference .

New staff are going well, they had a bit of a baptism of fire but all coped well and a lot of people mucked in and helped which was good to see. At this stage we have a double up but we can't afford not to over summer and whilst Violet is having some tough days . We need to look after and cover her.

Need to follow up with Kaye on what exactly we want of her as we still at this stage may need someone for Sunday's permanently if we do not secure her full time. Needs to be 35 hours ish.

Chris Ball is coming onboard as membership at this stage so hopefully he will slot into this role that has been vacant for a while.

Thanksgiving dinner is on 28th Nov. I have organised the meals with Peini \$25 for a turkey dinner. Potluck bring a plate type dessert, no free booze included with this one. Posters are with Sheila and Kerry has a copy. There is no cruiser net this year so maybe we can put in laundry and shop and post online . Tickets at bar limited to 70 and must purchase before Tuesday .

Arguments at the bar/club. Needs to be sorted Asap. To be discussed at meeting.

Moved – Chris

2<sup>nd</sup> – Sheila.

**Vice Commodore's Report:-**

Nothing to report
